The screenshot shows the KDevelop IDE interface. The main window displays a code editor with C++ code related to 'WebViewConfig.h'. The code includes comments about SPDX-FileCopyrightText, SPDX-License-Identifier (CC-BY-SA), and various defines like CALAMARISVIEWCONFIG\_H, KERMIT, and KERMIT\_1. The code editor has a status bar indicating 'Line: 3 Col: 1'. Below the code editor is a 'Build Sequence' panel showing a single item: 'Name' (calamaries) and 'Path' (calamaries). The bottom navigation bar includes tabs for 'Problems', 'Code Browser', and 'Konssole'.

A screenshot of a terminal window titled "beastie — Konsole". The window contains the NetHack game interface. At the top, the message "Velkommen adridg, the dwarven Valkyrie, welcome back to NetHack!--More--" is displayed. Below this, the game map is shown as a grid of characters representing terrain and objects. The player character, "adridg", is located at the bottom center of the map. Various items like gold coins (\$) and weapons are scattered throughout the dungeon levels. The map is enclosed in a dashed rectangular border.

## Allegro con brio !

A musical score fragment on a five-line staff. The key signature is two flats. The time signature is 2/4. The first note has a fermata. A dynamic marking 'ff' (fortissimo) is placed below the staff. The music consists of a sixteenth-note pattern: a eighth note, followed by three sixteenth notes, then another eighth note.
